## Mobility Impaired Vehicle Application

**DNR**

### INSTRUCTIONS:

1. Contact [Regional Wildlife Coordinator](#) for the [SCDNR Property](#) you wish to access.
2. Complete all information on the Mobility Impaired Vehicle application.
3. Have a licensed physician complete the Certification of Disability form.
4. For questions or concerns regarding this application please contact the Wildlife Section Chief at 803.734.3887.
5. Mail completed application and the certification of disability to appropriate Regional Office listed on page 2.
6. Upon receipt of a completed application, certification of disability approval, your permit will be mailed to you from the office of the Deputy Director, Wildlife and Freshwater Fisheries.
7. Approved application will be returned to applicant and will serve as MIV permit. MIV permit must be in possession of applicant at all times when accessing approved DNR property.
