

2009 Inland Sweep Annual Report

The 21st annual Beach Sweep/River Sweep statewide cleanup occurred on September 19, 2009 from 9am-12pm. For the inland portions of the state there were 58 sites registered by site captains for cleanups in 29 counties of South Carolina. Because of staff turnover within the program, the data forms from the 2009 Inland Sweep were misplaced and therefore a detailed account of 2009 results is not provided in the this report.

The 2009 information presented below includes: Quick Facts and Participating Organizations of the Inland Sweep. Please note: the numbers below do not include the Coastal Sweep sites and volunteers coordinated by the S.C. Sea Grant Consortium. For those numbers contact Sea Grant by telephone (843-727-2078) or www.scseagrant.org. For additional information regarding the Inland Sweep contact: Bill Marshall, S.C.
