

User Agreement for South Carolina Geological Survey Maps and Data

IMPORTANT:

Carefully read the following; by using these data, you indicate your acceptance of this User Agreement. This agreement applies to both Digital PDF Documents and GIS Data files.

NO WARRANTY:

The South Carolina Department of Natural Resources, Geological Survey (SCGS) provides these geographic data "as is" and makes no guarantee or warranty concerning the accuracy of information contained in the geographic data. SCGS further makes no warranties, either expressed or implied, as to any other matter whatsoever, including, without limitation, the condition of the product, or its fitness for any particular purpose. The burden for determining fitness for use lies entirely with the user. Although these data have been processed successfully on computers of SCGS, no warranty, expressed or implied, is made by SCGS regarding the use of these data on any other system, nor does the fact of distribution constitute or imply any such warranty.

LIMITATION OF LIABILITY:

In no event shall the SCGS have any liability whatsoever for payment of any consequential, incidental, indirect, special, or tort damages of any kind, including, but not limited to, any loss of profits arising out of use of or reliance on the geographic data or arising out of the delivery, installation, operation, or support by SCGS.

CREDITS:

Any hardcopies utilizing SCGS datasets shall clearly indicate their source. If the user has modified the data in any way, they are obligated to describe the types of modifications they have performed on the hardcopy map. The user agrees not to misrepresent SCGS datasets, nor to imply that changes they made were approved by SCGS. A Suggested Citation can be found in the (Other_Citation_Details) section of the metadata.

REPRODUCTION:

Reproduction and Printing of Map Publications for In-House use is permitted when accompanied by this User Agreement. Reproduction and Printing of Map Publications for the purpose of Resale is Forbidden. Please refer any request for copies to the S.C. Geological Survey.
